

The Vaults
BAR & RESTAURANT

**COCKTAIL
EXPERIENCE**

The Vaults Cocktail experience is an innovative team building or social occasion, held in the famous Vaults Restaurant & Bar in the heart of the city centre. It is designed to show the ground rules of mixing cocktails, basic ingredients and presentation. It is **not** a “flair” or bottle juggling course.

It may be part of a day visiting Cambridge, an unusual way of entertaining colleagues or clients, or a pre-cursor to an evening out in the City.

Available every day for groups of 8 – 20 people.

THE PACKAGE INCLUDES -

On arrival, a complementary glass of Prosecco is served, and the bar is open for preliminary libations.

1. 2 HOUR INTERACTIVE TUTORIAL

Led by a member of our professional Bar team, you will be taken through the history of Cocktails and their evolution over the years. A demonstration of cocktail making techniques, basic cocktail recipes and tasting of the ingredients and end results will follow.

There will be plenty of opportunity to ask questions – and you are expected to take notes during the training session for future use!

2. COCKTAIL COMPETITION

Using your knowledge and notes, you will then be split into smaller groups asked to create a cocktail from a selection of ingredients chosen by the experience leader. One member of each team will make the cocktail in front of the whole group, and the leader will chose a winning cocktail from those made.

The winning team will receive a bottle of bubbly, and all participants will receive a certificate of achievement at the end of the experience.

The price of the full course is £25 per person.

Full packages with dinner and fine wine after your cocktail experience are also available – ask for details.

We are an independent bar and restaurant, therefore if you have any special requirements we will do our best to meet them.

Please note:

- **Bookings must be made at least 7 days in advance.**
- **We do not cater for stag events.**
